02 Release Timing Analysis

MOST ACTIVE MONTH	MOST ACTIVE QUARTER	AVG RELEASE GAP	RECOMMENDED WINDOW
July	Q3 (July - September)	17.4 months	July

Strategic Recommendations:

- 1. This artist performs well in Q2 and Q3 — consider April or July releases
- 2. Based on release history, aim for a new release every 17.4 months
- 3. Industry standard: Release singles 4-6 weeks before an album to build momentum
- 4. Avoid releasing on major holiday weekends — streams drop as social activity increases
